Where great learning changes lives

Dear TKC Families,

This week there has been lots going on at TKC.

Belonging

This week students have been taking part in a range of student voice activities. These will help us to take all students opinions into account. Once we have the results collated and analysed we will look to implement the new ideas in order to maintain our community partnership.

Opportunity

Year 10 have begun their work experience process. They now need to go out and find their own experience placements. If any students are unsure of what they wish to do there will be opportunities for them to learn about different sectors of work. Mr McPherson has many contacts for students to assist them in making them most of the opportunity of this work experience.

Kindness

Students who are young careers had the opportunity to visit the Vue cinema in Staines this past week to watch a showing of the new Jurassic World film. We have seen lots of students partaking in extracurricular clubs and even helping some of the staff in learning a new skill, which is absolutely amazing.

Kind regards,

Shyam Dhokia
Principal TKC
