Talk

Where great learning changes lives

Dear TKC Families,

This week there has been numerous activities happening at TKC, with lots of students being given the opportunity to shine in different areas of the curriculum whilst having huge amounts of fun!

Belonging

This week we have seen students representing the school in 7 a side football tournament for the year 10 boys and the year 8 girls. Year 11 students stayed beyond school hours to go and represent TKC as they toured the Logic Studio School to gain a valuable insight into post 16 options and future careers.

Opportunity

Students this week have had a number of different opportunities, firstly a group of student across year groups seized the opportunity to go and compete at the borough cross country race. There were large contributions from all with a special mention to Sophie T (Year 9) in her race. Another group of students also got the opportunity this week to start their training to become a young sports leader: there will be further opportunities for them to put these skills to good use.

Kindness

Students have continued to display their kindness through not only giving charitable donations to Children in Need on the non-school uniform day but continuing to do this beyond the day. There was lots of kindness on show during our STEM event this week where students were challenged to build a windmill representing renewable energy. It is lovely to see how well the students treated those who had come in to deliver the session as well as each other when their concepts were not going as planned.

Kind regards,

Shyam Dhokia
Principal TKC

Key Dates

YEAR 11

18 December 2025 - Progress Evening

All Years

5 December 2025 - Student Parliament meeting

9 December 2025 - Flu vaccination catch-up session

9 December 2025 – Surrey Police Youth Engagement – Year 7s
